

# Professional editing services for entrepreneurs

Want reliable and proven copyediting for your next proposal, report, pitch, book, or script?

Never again publish mediocre, rambling content with grammar, punctuation, and usage errors.

Instead, save time, avoid headaches, and ensure your publicly facing communications are polished, error free, and reader directed.

**I see it all the time:** proposals, pitches, and posts filled with copywriting errors, grammatical mistakes, lackluster wording, and imprecise, run-on sentences.

Causing leaders to **lose business**, because their customer-facing materials lack polish. And their wording doesn't **speak directly** to their readers.

Why **hope people won't notice**, delay projects, and add to your stress?

Now just contact me, and **consider it done**.

I will **fast-track** your project and make your materials *shine*, so that you can generate **more sales** and more **impact**.

Don't just take my word for it:

*"I'm a copy **writer**. But I still need a copy **editor** to make my copywriting better. And that's what Andrea does for all my client pieces. I write. She edits. Clients get clearer, error-free copy."*  
-Todd Clarke, owner,

*"Andrea offered meticulous and insightful editing as I wrote my book. She was invaluable to me as an editor, sounding board, and creative partner—a joy to work with. I can't wait to do so again!"* – Jacqueline Farrington, author of *The Non-Obvious Guide to Presenting Virtually*

I'm a lifelong lover of words, writing, and persuasion, and the author of a 3x award-winning business book. My B.A. is in advertising, journalism and English, *magna cum laude*. I've been writing and editing pitches, books, and promotions for decades. And I do crosswords for fun.

**Did you write something you love?  
And want to make sure everyone else does too?**
